## TRADE LIST 1928

---

We offer this year the largest and finest collection of glads we ever had on our wholesale list. Of some of them the stock is limited but we have listed them to give growers a chance to get a start with them while they are new. Why grow only the old, common varieties that everybody grows? For descriptions, illustrations and testimonials see our new Glad Booklet.

### BEN BOLT

No. 2.....	\$8.00 per 100
No. 3.....	6.00 per 100

25 bulbs at 100 rate; 250 at 1000 rate. We pay postage or express charges to all points in U. S. and Canada but not to oversea countries.

We ship no bulbs during December, January and February except at special request of buyer and at his risk. At other times we guarantee safe delivery. No order accepted after May 1st and from Canada not after April 1st. (See our Glad Booklet for information.)

**TERMS:** Cash with order or before shipment. We allow 10% discount for fall orders with cash in full with order. For large quantities write us for special rates. Customers outside the U. S. are requested to remit by international money order or draft on New York or Chicago banks, made out in American money. Personal checks from foreign countries not accepted. Orders for spring delivery accepted and booked now if 25% of amount accompanies order, the balance to be paid before shipment.
